The following are instructions for becoming a member. The candidate for membership will attend at least one ACC Club Dinner Meeting, and one Event. Contact, Steve Bracken or Bob Rio, Atlanta Chapter. Diane or Lew Houser, Northeast Chapter. David or Bonnie Thornburg, Northwest Chapter. To make sure we are aware you are attending your first Dinner Meeting.

If after the Dinner Meeting if you wish to become a member. The next step is to make a minimum purchase a total of \$50 per member of ACC Club ID Apparel and materials. This is the first step to becoming a member. Your first purchase is to first buy your Windshield sticker for each Corvette you own from Steve Bracken, then buy stick pins for each member from Bill Winton. This cost is \$5.00 for each item. Then log onto the ACC Website, go to the Home Page, scroll down about halfway and find our Color logo on the right side of the page. Click on the logo and it will open another page to our apparel supplier to place your order. Next scroll down until you see a Black & White Circle of our badge. Click on this to order you badge(s). Since you have at least already bought a windshield sticker and pin at a cost of \$10 total you would now select apparel for \$40 For one person if you are single. It will be approximately \$45 for your spouse which would equal \$50 each for a married couple. ACC's only objective is to have members participate in our Meetings and Events while proudly wearing their ACC ID apparel. All purchases are made through our suppliers. If the applicant needs time to review the membership process, it must be done **within 30 days after their application**. If you need help with this process, Steve Bracken, Diane Houser or David Thornburg and Bob Rio will guide you through our website process of purchasing ACC Club apparel. All apparel materials must have the ACC logo. ACC does not profit from any supplier sales of ACC I.D. Materials. After you've completed your purchases, forward a receipt copy from each supplier.
